Homeless Dispute Procedures

Dispute Resolution

The following steps and procedures should take place in resolving disputes regarding enrollment, school placement, and services of homeless students.

Complaint

- A complaint is an oral or written and signed statement alleging the violation of federal or state law, rule, or regulation. The complaint must allege a violation that occurred not more than one year prior to the date that the complaint is received, unless a longer period is reasonable because the violation is considered systemic or ongoing.
- Parents, teachers, administrators, or other concerned individuals or organizations may file a complaint ("Complainant"). Faculty and staff with knowledge of a complaint must refer the Complainant to the Liaison.
- The Complainant may submit the complaint in writing to the Liaison, using the Complaint Resolution Initiation Form. The Complainant may choose to initiate the complaint orally.

Role of School

- Immediately enroll the child in the school upon acceptance into the lottery.
- Provide all educational services for which the child is eligible, pending resolution of the dispute.

Role of the Liaison

- After receipt of the complaint, the Liaison must provide a written explanation of the school placement decision and/or provided services to the Complainant and discuss the complaint with the Complainant. The Liaison must provide a written proposed resolution or a plan of action to the Complainant within five days of receipt of the complaint.
- If the Liaison does not resolve the dispute, the Complainant may forward it to the school principal. The Liaison must provide a written resolution to the parties within five days of the discussion with the principal. The Complainant has a right to obtain assistance from advocates or attorneys in addressing a complaint.
- The Liaison will carry out the dispute resolution in an expeditious manner, **within 15 school business days or 30 calendar days, whichever is less**, and will provide the Complainant these written procedures, including the appeal procedures outlined below.
- In the event the school is unable to resolve the complaint, the Complainant may pursue the applicable appeal procedure(s).

Appeal Procedures

If the dispute is not resolved at the school level, the Complainant may direct the complaint, orally or written, to the North Carolina Department of Public Instruction.

Address the Complaint to the following address:

- State Coordinator for Homeless Education, National Center for Homeless Education, SERVE Center at UNCG, 5900 Summit Avenue, Ste. 201, Browns Summit, NC 27214

The complaint should include:

- The name, address, and telephone number of the person filing the appeal;
- The relationship or connection of the person to the child in question;
- The name and age of the child involved;
- The name of the school and school personnel involved in the complaint;
- The federal requirement alleged to have been violated;
- A description of the situation that prompted the complaint;
- A description of the attempts that were made to solve the issue;
- Supporting documentation; and
- The relief the person is seeking.

The Liaison will provide the State Homeless Coordinator with any information that the State Homeless Coordinator requests regarding the issues presented in the appeal.

The State Homeless Coordinator will provide the school and the Complainant the opportunity to respond to any decision made and to provide any additional evidence the Complainant deems relevant.

Within 10 school days following receipt of the complete appeal, the State Coordinator shall issue a final written decision to the school and Complainant.

DRAFT Face Covering Policy
Raleigh Charter High School
Applicable March 28, 2022

With some exceptions, Raleigh Charter High School (the School) will make face coverings optional on the School campus and at School events beginning on March 28, 2022 for all staff and students. Anyone choosing to wear a face covering is encouraged to do so because face coverings continue to be an effective tool in the ongoing efforts to reduce the spread of COVID-19. The School will provide face coverings to anyone who comes to campus without one. Any individual wishing to obtain a face covering should ring the front door buzzer before entering the building, and an employee will bring one outside for the individual to use.

Masks are highly recommended indoors for

- Anyone who is at high risk for severe disease.
- Anyone who is unvaccinated against COVID-19.
- Anyone who is not up-to-date on COVID-19 vaccines.
- Anyone who has had an exposure to a person with COVID-19 within the previous 10 days.

Masks are required on campus for

- At least ten days for anyone who had an onset of COVID-19 symptoms or tested positive for COVID-19. These individuals are required to eat and drink outdoors and remain at least six feet away from all other individuals when their masks are removed outdoors.
- All visitors unless they provide proof of being up-to-date on COVID-19 vaccines. Visitors who must wear a face covering are required to eat and drink outdoors and remain at least six feet away from all other individuals when their masks are removed outdoors.

Acceptable required face coverings include

- Medical or surgical-style face mask with cloth mask over it
- N95 face mask
- KN95 face mask
- KF94 face mask

Cloth face coverings alone are not sufficient when masks are required.

Definition of Up-to-date on COVID-19 vaccines: Status of a person who has received all recommended doses of a COVID-19 vaccine, including additional doses and boosters. (taken directly from the StrongSchoolsNC Public Health Toolkit (K-12))

Exceptions to the face covering rules include any person who:

- Should not wear a face covering due to any medical or behavioral condition or disability (including, but not limited to, any person who has trouble breathing, or is unconscious

or incapacitated, or is otherwise unable to put on or remove the face covering without assistance);

- Is under two (2) years of age;
- Is seeking to communicate with someone who is hearing-impaired in a way that requires the mouth to be visible;
- Is giving a speech for a broadcast or to an audience;
- Is working at home or is in a personal vehicle;
- Is temporarily removing their face covering to secure government or medical services or for identification purposes;
- Would be at risk from wearing a face covering at work, as determined by local, state, or federal regulations or workplace safety guidelines;
- Has found that their face covering is impeding visibility to operate equipment or a vehicle;
- Is a child whose parent, guardian, or responsible person has been unable to place the face covering safely on the child's face.

When employees or students cannot wear face coverings due to a medical necessity, medical condition, or disability, or due to religious belief, they may request a face covering accommodation using the form included at the end of this Policy. The form requires medical certification, which must be completed and signed by a licensed healthcare provider.

Exceptions will be provided on a case-by-case basis. When an exception applies, the School will ensure that any such individual wears a face shield, if their condition or disability permits it. The School will provide accommodations for religious beliefs consistent with Title VII of the Civil Rights Act.

The Raleigh Charter High School Principal (or designee) is authorized to implement and enforce this Policy and to ask anyone who is not complying with this Policy to leave the campus. If needed, the Principal (or designee) may modify this Face Covering Policy to either tighten or loosen the restrictions until the next meeting of the Raleigh Charter High School Board of Directors, at which time the Policy will be reviewed and modified as needed. Should modifications be needed to this Policy, the Principal (or designee) will inform the Board chair within 48 hours of making the adjustment. **The implementation of this policy is subject to any overriding federal, state, county, or city regulations or law.**

Principal's Report for Raleigh Charter High School

Board of Directors' Meeting on May 23, 2022

Managing COVID-19

- Our current vaccination rate of a primary COVID-19 shot series for students remains at 93%.
- Using our COVID-19 testing program through our vendor, we continue to test students on a weekly basis who are unvaccinated or involved in high-risk activities.
- We are aware of 21 students and 5 staff who had COVID-19 in April. Thus far in May, there have been 25 students and 6 staff who have tested positive for COVID-19. Only in January, 2022 have we had numbers greater than these.
- At this time, we do not recommend any updates to our Face Covering Policy for these last few weeks of the school year. We have made strong recommendations to parents, students, and staff to return to wearing face masks inside the building to slow the spread of COVID-19.
- We supply masks to students and faculty upon request (surgical, N95, and KN95). The number of people wearing masks inside the school seems to have increased since we started recommending masks again.

General

- The U.S. News & World Report's 2022 Best High Schools rankings were released at the end of April, and we were recognized several times:
 - 123th in the nation overall
 - 106th in the nation on their Science, Technology, Engineering, and Math (STEM) list
 - 31st in the nation among charter schools
 - 3rd in North Carolina
 - 1st in the Raleigh metropolitan area
