### Raleigh Charter High School

Raleigh Charter High School offers a rich program of study in the humanities, mathematics, sciences, world languages, and visual and performing arts. Academic offerings follow the North Carolina Standard Course of Study which focuses on math and science, English and history, and modern and classical languages. These courses are complemented by electives in these areas and in music, theatre, and visual arts. Enriched courses are similar to those for Academically-Gifted students; we label the course, not the student. Most courses are offered at the Honors or Advanced-Placement levels.
